

Echo Valley Ranch & Spa is looking for a guide for our 2022 season from May 1 – October 31, 2022.

Our mission is to facilitate a superb, immersive guest experience, so our guests can connect to nature through soft adventures and wellness. Each guest will have a different way of connecting with nature and we are here to guide them through the best possible experience, which you will help deliver with privately guided activities.

We are looking for multi-talented individuals with wilderness and outdoor guiding experience, as well as experience with horses. Please familiarize yourself with our Horse Harmony Experience on our website, as we are not offering traditional trail rides. Please note that for the safety and health of our horses we have a 200 lb. weight limit for riding.

We believe Echo Valley is an ideal place to connect with nature and oneself and while the ability to adapt to the lifestyle of working and living in a remote location is essential for our team, we are also looking for the following qualities:

- A mature self-starter with a strong work ethic
- Strong communication and organizational skills
- Excellent interpersonal and problem-solving abilities
- Be respectful and considerate of other staff and work obligations and personal space
- Physically fit to meet the physical aspects of the position
- Have a special appreciation for diverse cultural backgrounds and the wilderness
- Have an adventurous spirit

We offer a competitive compensation package including private staff accommodations (you will have your own room and ensuite bathroom), full room and board, and a proportionate share in the service charge (tips). Full details will be supplied if you are selected for an interview.

Please apply for this position by sending your cover letter and resume to jobs@evranch.com

In your cover letter, please let us know why you decided to apply to work with us, and why you think you are a good fit for our team. Please also familiarize yourself with our Adventure and Wellness sections on our website and let us know which of the adventure and wellness activities you would be interested in guiding. Training will of course be provided.
