Awakening Wonder™

Our Signature Experience Includes

Lodging in one of our deluxe accommodations. Includes three farm-fresh meals daily, snacks anytime, all beverages (including beer and wine at dinner time) - *we offer extended hours for all meals, dine at your leisure; a daily menu with several selections is available.*

HORSE HARMONY
Join in an immersive experience including bringing in the horses from the pasture, connecting with your horse, experiencing nature on horse-back, caring for your horse, and sending it off to the pasture again. (Maximum riding weight 200 lbs)

HIKING
Explore the abundantly varied topography and wonderful hikes with guided half-day or full-day hiking, based on your preferences and ability. Unguided hikes anytime. (maps provided)

FISHING
Start with a fly-fishing lesson and then enjoy fishing at your leisure, for a rainbow trout catch & release experience just minutes away from your accommodation.

MARKSMANSHIP
Spend an hour at our gun range with one of our experienced guides for target shooting with handguns and rifles of different calibers.

CANYON CONNECTION

Connect with nature and yourself while experiencing the Fraser River and Canyon up close during this guided adventure. A circle route takes you through the boreal forests into what some call the Grand Canyon of the North and back to the ranch.

SPA TREATMENT

Enjoy one of our signature spa treatment from a selection of one-hour samplers. One treatment is included for a 3-night stay, two treatments are included for a stay of four nights or more. **only included in the summer, a la carte for the rest of the season*

MINDFULNESS

Two guided Thai Yoga (Ruesri Dat Ton) classes daily, plus one guided group meditation daily. Guided one-on-one meditations for those wishing to explore deeper are also available. Walking meditation at Copper Drop Springs anytime.

MOUNTAIN BIKING

Guided half-day or full-day slow-paced rides with our power-assist mountain bikes. Unguided exploring available anytime. (bikes and helmets provided, power-assist bikes for guided tours only)

SURVIVAL SPIRIT

Learn what it takes to survive in the wilderness during this half-day guided adventure. Our guides will share their wilderness knowledge with you, from building shelters and fire to foraging for food and water, and more.

ARCHERY

An introduction to archery with one of our guides; practice at your leisure after your first lesson at our archery range.

RANCH FACILITIES

Unlimited use of our ranch facilities: games room, geo-thermal heated pool, fitness room, and sauna.
