

Indemnity Waiver

Echo Valley Ranch and Spa is a working ranch located in the wilderness and as our guest you will have the option to freely walk about the ranch and surrounding area, use the facilities available in and around the Guest House and Cabins, ride horses as well as participate in other soft adventure activities. There are inherent dangers in choosing to participate in the experience that we are offering. Our staff will make your stay with us as safe and enjoyable as possible but by signing this waiver you will be accepting that you are ultimately responsible for your own safety. By signing this waiver it is also understood that you may only participate in the experience that we are offering on the understanding that you will not make any claims whatsoever against any of the staff or companies involved in the operation of Echo Valley Ranch and Spa. Any questions that you may have concerning this waiver should be asked before signing.

We accommodate all dietary restrictions and requests, and our kitchen staff will ensure your needs are met with the utmost care. However, due to the nature of an open ranch kitchen, and despite precautions, cross contamination can occur, and by signing this waiver, you acknowledge the risk.

We make a practice of taking photographs of our guests during their stay and offer to send them via email. We will not publish any images on our social media channels or website without your prior consent.

Please sign one Indemnity Waiver per person.
